Safeguarding Newsletter Issue 2 Sept 2020

Welcome to the September safeguarding newsletter of this 2020 academic year. We hope you had a restful summer and are raring to go!

Safeguarding & Child Protection is a fundamental part of the Flourish Federation's way of working and it is such an important issue for our children and young people. The federation has therefore decided to provide a half termly newsletter which shares key information and advice with parents and carers so we can all work together with the same aim of keeping children safe in school, at home and in the wider community.

Barnardo's 'See, Hear, Respond' service

See, Hear, Respond is a service provided across England by Barnardo's and other national and local community-based organisations in response to the coronavirus (Covid-19) outbreak.

See, Hear, Respond, provides support to children, young people and their families who aren't currently seeing a social worker or other agency, and who are struggling to cope with the emotional impacts of coronavirus (COVID-19). See, Hear, Respond will support from pre-birth up to 18 years of age and those with special educational needs under the age of 25.

See, Hear, Respond will contact every referral made, so no child is missed. Help is available in one or more of four ways:

- an online hub of support and information
- online counselling and therapy
- face-to-face support for those most affected and at risk of some of today's most pertinent issues, such as criminal exploitation, and
- helping children and young people reintegrate back into school

You can access via the 'See, Hear, Respond' service [self-referral webpage](#) or Freephone 0800 151 7015.

If you have a concern about a child outside of school, Then you should ring the **Children's Advice and Duty service (CADS) on 0344 800 8020**
