

Thursday 7th January

Home Learning

Phonics - Exploring the vowel sound a

<https://www.youtube.com/watch?v=SmKy7gLZNBo&t=4s&safe=active>

Please watch the lesson and join in!

Take pictures of you child and send it to me via SeeSaw, i'd love to see!

English - Writing Task

Create a descriptive mind map about the Big Bad Wolf

Draw the Big Bad Wolf in the middle of your page and then create a mind map with different words and phrases that describe the wolf.

Ideas to help you - Think about all the different features the Big Bad Wolf has. Think about all the mischievous things The Big Bad Wolf does.

Top Writing Tips: Sit your words on the line, remember your finger spaces, capital letters and finally your full stop.

Spicy Challenge: Use your mind map to write a few sentences that describe the Big Bad Wolf.

Example Wolf Mind Map

mischievous

Big and bad

Maths - Exploring numbers with a difference of one or two on a number line

Exploring numbers with a difference of one or two on a number line

In this lesson, you will be comparing two sets of objects and finding out the difference between them using a number line.

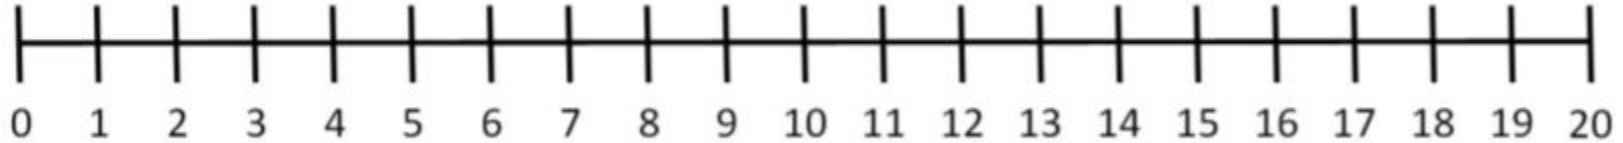

[Start Lesson](#)

<https://classroom.thenational.academy/lessons/exploring-numbers-with-a-difference-of-one-or-two-on-a-number-line-70ukac>

Please Watch the lesson and join in as much as possible!

Record your ideas in your Green book or take pictures.

Using the number line, write as many equations as you can with a difference of one or two.

What is...

$$3 + 2 =$$

$$7 - 1 =$$

$$20 - 2 =$$

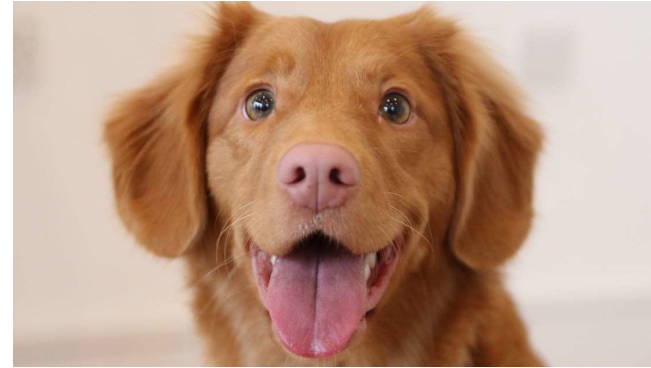

Spicy Challenge:

Write down some of your own equations.

Science

Exploring animals

Research information about one of these animals and write a sentence that describes them. Draw a picture underneath your sentence.

Daily Reminders!

1. Please add the date to the top of your page when you start any work.
2. Please take pictures and post it on SeeSaw so I can see the wonderful work.
3. Please contact the school if you need any help or contact me on SeeSaw.
4. Have Fun.
