

# All Saints Stibbard Pupil Premium Strategy Statement

Summary information					
<b>School</b>	All Saints Stibbard CEVA Primary School				
<b>Academic Year</b>	2020/21	<b>Total PP budget</b>	£43,040	<b>Date of most recent PP Review</b>	July 2020 - next review: March 2021 (Coronavirus)
<b>Total number of pupils excluding Nursery</b>	169 on Oct 2020 census	<b>Number of pupils eligible for PP</b>	33 Pupil Premium (£1,300 per pupil)	<b>Date for next internal review of this strategy</b>	End of July 2021

Barriers to future attainment (for pupils eligible for PP, including high ability)	
Contextual barriers <i>(issues to be addressed in school)</i>	
<b>A.</b>	Progress of Pupil Premium Pupils is to be maintained across the curriculum so that it is in line with other cohorts and can be accelerated, ensuring that any gaps narrow over time.
<b>B.</b>	Historic lack of effective SEN provision in place
<b>C.</b>	Historic lack of provision for Behavioural and Pastoral needs
<b>D.</b>	Support for disadvantaged pupils to be planned so that potential barriers to achievement are addressed, including additional support for the more able disadvantaged pupils and providing a range of enriched opportunities for pupil premium pupils.

**Additional barriers** (including issues which also require action outside school, such as low attendance rates)

**E.** Historic Low level of attendance and persistent absences  
Covid-19 pandemic has impacted on all children

<b>Intended Outcomes</b> <i>(Desired outcomes and how they will be measured)</i>	<b>Success criteria</b>
--	-------------------------

<p><b>A.</b> Improved progress for all cohorts. Progress for Pupil premium pupils to be in line with other cohorts and to continue to at least match that of non- Pupil Premium pupils across the curriculum in all year groups</p>	<p>Stable class structure with appropriate interventions in place implemented through class provision map will ensure gaps are diminished and pupils reach the age expected levels recorded on class provision map and shared at pupil progress meetings.</p> <p>Progress in each year group of Pupil Premium pupils to be compared termly to that of non-Pupil Premium Pupils - and if they are not in line with each other this will be investigated and appropriate support will be built in.</p> <p>Setting cognitive difficulties aside, end of Key Stage results of Pupil Premium pupils to be in line with the outcomes for non-pupil premium pupils with a particular focus on comparing levels of progress.</p>
---	--

<p><b>B.</b> Effective SEN provision in securely in place</p>	<p>SEN &amp; PP pupils supported with appropriate interventions and improvement in progress is evidenced in class provision maps , assessment grids and pupil voice including supporting the emotional well-being and educational progress of these pupils.</p>
---	---

<p><b>C.</b> Behavioural and Pastoral needs are addressed and provision in place</p>	<p>Reduction in the number of behavioural incidents occurring and consistent secure teaching which is not disrupted by behavioural or pastoral issues</p> <p>Will be evidenced through class observations and reduction in the number of behavioural incidents being reported on CPOMS</p>
--	--

<p><b>D.</b> Support for disadvantaged pupils is purposely planned so that potential barriers to achievement are addressed, including additional support for the more-able disadvantaged pupils and providing a range of enriched opportunities for pupil premium pupils.</p>	<p>The in-house implementation pupil premium plan delivers on intervention and measures improved outcomes for PP pupils</p>
---	---

		Attendance is in line or above the national average with fewer persistent absences whilst in Covid-19 pandemic time to allow for Improved percentages - target greater than 95%
--	--	---

Planned expenditure					
Academic Year		2020/2021			
The four action/approaches below enable schools to demonstrate how they are using the pupil premium funds to improve classroom pedagogy, provide targeted support and support whole school strategies.					
Quality First Teaching for all					
Desired outcome	Chosen action / approach	What is the evidence and rationale for this choice?	How will you ensure it is implemented well?	Who & Cost	When will you review implementation?
A	Progress for Pupil premium pupils to be in line with others	We will focus on sharing best teaching practice across the school and fostering an environment where teachers feel confident to discuss, review and analyse teaching approaches and decisions they make. We will share excellent aspects of teaching, review what makes them successful and consider how these can be transferred across the school and embedded within our curriculum planning documents.	SLT monitoring will confirm very strong examples of teaching/teaching support and assessment (as well as pupil voice and work produced in books) as evidence in the school. This will be additionally captured from pupil progress meetings using teachers dialogue and class provision maps. Harnessing core elements of these approaches and appropriately sharing them with all teaching staff will help to further develop the quality of teaching, and therefore pupil outcomes across the school	SLT - Each staff meeting (as far as practically possible) will feature Curriculum (review and planning) led by a range of curriculum leaders.  £ nil	Jan 2021

B	Historic lack of effective SEN provision	<p>Under the direction of the new permanent SENDCo, the two Inclusion managers will support the SEN provision as part of their job description.</p> <p>They will have weekly timetable time dedicated to further supporting the needs of PP children and will be responsible for working alongside class based teachers/teaching assistants to ensure these pupils can flourish and be successful in school- thus ensuring quality first teaching and support for these pupils.</p>	<p>Staffing structure provision and time dedicated to this role of Inclusion manager and support staff roles</p> <p>Termly Pupil Progress meetings with class teachers will monitor the progress of pupil premium pupils and will then evaluate if any additional support is required.</p>	<p>Inclusion managers</p> <p>£35, 202</p> <p>£6,259</p>	<p>Jan 2021</p> <p>Termly</p>
C	Behavioural and Pastoral needs	<p>Continue with the reduction in the number of behavioural incidents occurring and consistent secure teaching which is not disrupted by behavioural or pastoral issues,</p> <p>Will be evidenced through class observations and reduction in the number of behavioural incidents being reported on CPOMS</p>	<p>Positive behaviour plans in line with STEPS training implemented followed through with review meetings and shared with pupils/parents</p> <p>Boxall profile (mental health and well-being assessment) and ELSA (emotional literacy support assistant) plans and delivers programmes of support to pupils who are experiencing temporary or longer term additional emotional needs.</p>	<p>Class teachers</p> <p>£4,324 –TA support (RM)</p>	<p>ongoing</p> <p>from Jan 2020</p>
D	Support for disadvantaged pupils to be planned	<p>The school knowledge rich curriculum excites and engages learners, including opportunities for external trips, enrichment time, welly days and visits/visitors that enhance our curriculum offer (as far as is practically possible due to Covid-19 pandemic restrictions)</p> <p>All available evidence strongly suggests that a broad / balanced curriculum that is planned for knowledge growth and to build upon and extend existing knowledge</p>	<p>All Creative and Analytical curriculum leaders use their release time to monitor, review and evaluate our curriculum offer and use staff meeting time to plan further developments including Catch - up/ self-improvement time and surgery time and to facilitate staff working collaboratively together across the federation to enhance our curriculum design.</p> <p>The data lead will capture provision and impact in an individual implementation plan.</p>	<p>SLT</p> <p>£3,014</p> <p>CJ &amp; CP</p> <p>Resources £500</p>	<p>on-going and specifically during the PP review and catch-up delivery programme in Jan 21</p>

		is vital to the development and achievement of pupils.			
Total budgeted Cost					£45,195
<b>Targeted support:</b>					
<b>Desired Outcome</b>	<b>Chosen action/approach</b>	<b>what is the evidence and rationale for this choice?</b>	<b>How will you ensure it is implemented well?</b>	<b>staff lead</b>	
				<b>When will you review implementation?</b>	
<b>A</b>	<b>Teachers have the opportunity to utilise the skills and expertise of experienced and well trained Inclusion managers to support their Pupil Premium Pupils who need extra levels of focus to ensure they achieve the expected levels of progress across the curriculum</b>	For The national curriculum and the school curriculum to meet the learning needs of PP children and build their cultural capital. Current learning needs to build on previous learning and prepare for future learning. The school curriculum design is to enable pupils to be more engaged in their lessons so their learning needs are met	The SENDCo and Inclusion manager will carry out an audit of the pupils to ascertain barriers to learning and then develop a suitable individual programme for each child to be delivered by the TAs following a weekly timetable. Regular monitoring and discussion will take place to continually review progress	<b>AO. BL, GN</b>	
				<b>ongoing review of groupings and individuals</b>	
				<b>Termly review of outcomes for these groups of pupils</b>	
<b>B</b>	SEN provision meets the needs of all pupils	Interim part-time SENDCo's have been in place and lockdown has impacted on pausing SEN provision  TAs although trained to deliver interventions have not been able to operate across the school this term as planned but to remain bubble based and deliver some interventions in their own class within the Covid- regulatory constraints		<b>AO. BL, GN</b>	
				<b>ongoing review of groupings and individuals</b>	
				<b>Termly review of outcomes for these groups of pupils</b>	
<b>C</b>	Behavioural and Pastoral needs to be met for Pupil Premium Pupils	Behavioural issues are not resolved during the lunch break and then disrupt afternoon lessons. Having an adult for	Through Boxall profile (mental health and well-being assessment) and ELSA training, practitioners will understand how to implement the strategies and how to identify the children	AO, BL, GN & RM	

		children to talk to and to resolve issues will improve the afternoon's learning	who would benefit and then targeted intervention with the identified pupils and general principles with whole classes will come about. Children will have learnt techniques to deal with their emotions and their mental wellbeing which will lead to fewer behaviour incidents and less disruption to lessons	
<b>D</b>	Improved attendance of all pupils and diminish the gap between PP and non-PP. Build a high expectation of good attendance with all families  Pupils experience a broad range of enrichment opportunities - increasing their cultural capital	Pupils from disadvantaged backgrounds often have fewer opportunities to try new activities and skills and this can lead to low future aspirations. Additionally, poor attendance of PP children impacts on their learning. Pupils need to attend school regularly and be present for all lessons to learn and achieve the age expected levels and progress. Lateness and persistent absences can disrupt the learning of the individual and the whole class.  Attendance was not measured at the end of 2020 due to pandemic. However up to the point of the lockdown in March 2020 at figure was 94.4%  Uptake for enriched activities is lower for PP children due to financial implications and lack of aspiration	An inclusion manager has been appointed to work alongside the Business Manager, whose responsibilities include regularly monitoring the attendance of PP children and to follow the "Fast track" process with families  Through the individualised implementation plan, pupils will be identified and class teachers/SENDCo will raise the issue with the parents at meetings to discuss how the school can support the children. Letters to parents about activities. Trips etc. will mention support is available to PP families	JB, GN & BL  CJ
<b>Mid ~Year Review (to be completed at Feb 21 )</b>				
<b>Academic Year</b>		<b>2020-2021</b>		
<b>Quality First Teaching For All In An Inclusive Setting</b>				

<b>Desired outcome</b>	<b>Chosen action/approach</b>	<b>Impact Review:</b> Did you meet the success criteria? (Include impact on pupils not eligible for PP, if appropriate).	<b>Developments</b> (and whether you will continue with this approach)	<b>Cost</b>
<p>A</p> <p>Progress of Pupil Premium pupils to continue to at least match that of non-pupil premium pupils across the curriculum in all year groups.</p>	<p>We will focus on sharing best teaching practice across the school and foster an environment where teachers feel confident to discuss, review and analyse teaching approaches and decisions they make.</p> <p>We will share excellent aspects of teaching and provision and review what makes them successful and consider how these can be transferred across the school and embedded within our curriculum planning documents</p>			
<p>B</p> <p>Pupil premium children will be specially supported by Inclusion manager and other</p>	<p>Pupil premium pupils will receive weekly timetabled catch-up, intervention or surgery time delivered by a teacher</p>			<p>£13,640 (Catch-Up grant for the year)</p>
<p>C</p> <p>pupil premium children will be specially supported</p>	<p>Behavioural and Pastoral needs to be met for Pupil Premium Pupils by ELSA practitioner and Boxall profile (mental health and well-being assessment)</p>			<p>£4,324 (TA to deliver ELSA)</p>

by a designated teaching assistant.				
D Pupil Premium pupils will have opportunities to access a range of enriched opportunities that enable them to flourish the PP children access to a wide range of activities, such as music lessons, after school clubs and educational visits	<p>Whole school approach to the knowledge-rich curriculum and pedagogy to support the delivery of the curriculum which includes; quizzing for knowledge, challenge by choice, choral response for example.</p> <p>All teachers have developed the knowledge growth plans and regular ongoing discussions at staff meetings to continually evaluate and assess the impact on learning. School curriculum excites and engages learners, including opportunities for external trips/visits/ enrichment that enhance the curriculum offer</p>			£500 to subsidise educational visits and attendance at after school activities

<b>Review of Expenditure</b>		<b>2020-2021</b>		
<b>Quality First Teaching For All In An Inclusive provision</b>				
<b>Desired Outcome</b>	<b>Chosen action/approach</b>	<b>Estimated Impact</b>	<b>Lessons Learned / Next Steps</b>	<b>Costings</b>
A Progress of Pupil Premium	Teachers analysing pupil progress	Most pupils have made expected	Good impact - need to continue.	No additional costs

pupils to continue to at least match that of non-pupil premium pupils across the curriculum in all year groups.	data, subject leads providing best practice for their subjects to staff. Review interventions. Recovery curriculum focusing on gaps and resilience.	progress	Continue staff training to support all children, challenge progress with all staff to improve outcomes for children with Pupil Premium.	
B Effective SEN provision is securely in place	SENCo reviewed SEND needs and is in process of updating records and completing applications for EHCP and other support involvement	Good impact - staff are more aware of individual pupil needs in their classes, interventions in place, pupils have better support and are better understood SENDCo provided STEPS training - impact on behaviour management	Time impact - so much paperwork to catch up on, Continue - need to complete several EHCPs and provide support for staff and pupils. STEP UP training needed	Resources - £600
C Behavioural and Pastoral needs	Inclusion Manager supports behaviour for learning and providing family support. Delivery of ELSA.	Improved engagement with families, to support children's behaviour for learning. Children with SEMH supported by delivery of ELSA. Combined approach with SEN provision to showcase the work being done with children in school and to further engage in partnership with parents.	Continue to work with the Inclusion Team to gain additional support when needed, additional funding is needed to provide the necessary nurture support.	Inclusion Manager £24,524 ELSA TA - £12,159
D Improved attendance of all pupils and diminish the gap between PP and non-PP. Build a high expectation of good attendance with all families	Worked with families, high expectations, soft start to school day, regular communication during Covid lockdowns and remote learning	Attendance and remote learning were assessed and challenged by teachers and TA's during the remote learning. Inclusion Manager's supporting children.	Continue with high expectations for attendance for all children. With follow up termly letters. Consider strategies for those with persistent absence.	Purchased LA Attendance Package £475
Finance Summary Income: £37660 Expenditure: £37758
