

Eco Council

Nourish Flourish

21st Feb

ECO COUNCIL:

We would like to be responsible for litter picking. Each day, one year group are responsible for litter picking (break and lunch) There will be three volunteers per day. The Eco councillor can arrange who does this. Mr Brown will ensure there are two working pickers and a bag carrier. We have kept Y5 out of the rota as they are Play Leaders.

Can the litter picking equipment please be kept in **THE DEN**.

Monday	Y6
Tuesday	Y4
Wednesday	Y3
Thursday	Y2
Friday	Y1

We would like to recycle in our school. On Thursday morning, Mr Brown will meet ECO COUNCIL in the staffroom at 9am. They will call Norfolk County Council to find out about getting a recycle bin and a food waste bin for each classroom. They will then design an information sheets for each classroom with everything we CAN recycle on it.

Mr Brown will order a compost bin for the school.

FLOURISH and NOURISH:

We would like to make sure our class know that we are a HEALTHY SCHOOL

Only fruit and veg as snacks.

Water in water bottles

We would like to learn about what makes a healthy packed lunch.

We discussed this and the children had lot of great ideas.

We will meet on Thursday 2nd March at 1.15pm in the staffroom to design a visual healthy food group chart and some information to send home to parents about ideas for healthy lunchboxes.

Y6 were also very keen to start running a tuck shop again. I have suggested that, if they can staff it, we could buy fruit for them to sell out of the den at break time.
