Our Values

Nov 24

Welcome to our November newsletter

We hope that you had a lovely half term and enjoyed the changing of seasons. As November begins, we start to prepare for all the festivities ahead. We look forward to sharing these with you.

Learning together at home

Thank you to all the parents who have been sharing photos on Tapestry of your learning together at home, it has been lovely to see what you have been doing. Please bring them into nursery as the children are enjoying sharing what they have done with their friends.

Anti – Bullying week 11th – 15th November

We are inviting all parents, staff and children to wear odd socks to nursery in recognition of Anti Bullying Week.

Colder weather

As the weather begins to get colder, please can you make sure your little ones have appropriate layers on, to allow them to continue their learning outside and in the woods. I have attached a poster to give you some guidance. Any questions please speak to a member of staff.

Footwear

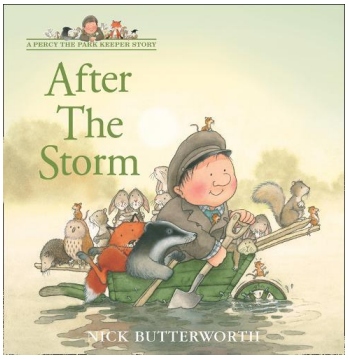

If your child comes into nursery in wellies please can they bring named shoes to wear indoors.

Grapes.

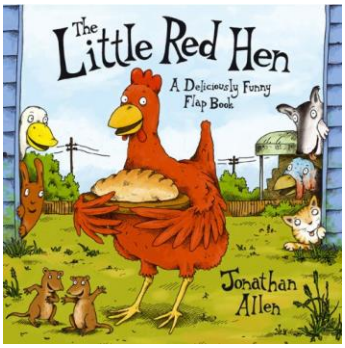

*If you are sending grapes in your child's lunch box, **please** remember to cut then in half or quarters, long ways, as they can be a choking hazard.*

Thank you.

We continue with our stories

Percy the Park keeper "After the storm" is a story about a storm that is raging outside and Percy the park keeper is having a sleepless night. When he gets up the following morning, Percy finds that the old oak tree has been blown down. It is a disaster for his animal friends who live there. But Percy is soon devising a plan to help his little friends find new homes in the best tree house they have ever seen.

The Little red hen is a story about a hen who wants help planting and cutting the wheat, grinding the flour and making the bread. But the cat, the rat and the dog refuse to join in - until the bread needs eating!

The moral of this story is that hard work pays off, but laziness has consequences. If we all helped each other we would all be able to benefit more.
