Believe, Achieve, Belong

Our Values

Welcome nursery families

A big welcome to the June edition of the nursery newsletter. We are entering the last half term for some of our older children who will be flying the nest.

We would like to say a huge welcome to Alysha who has recently joined the Stibbard team.

Check out the Padlet below; it is full of information for children transitioning into school, for you and your child to look at.

https://padlet.com/Trainer2021/eyfs-transitions-in-norfolk-wb0aexf223w1897x

If you have any concerns or worries about your little one starting school, we are happy to arrange a meeting for you to have with their key person, please speak to Sue to make an appointment.

Increasing your child's days

If you would like to increase your days from September, please let us know as soon as you can, or send an email to: nursery@stibbardallsaints.com

Staying safe in the sun.

We have welcomed warmer and sunnier days at Stibbard this term. Please ensure that your child/ren has the following for sunny days: - A named sunhat - drinks bottle, ***with only water in please*** *- Sun cream applied before nursery and to bring into nursery if required - Cool clothing and plenty of spare clothes as we love water play.*

Please do not send your child in with open toed shoes or Crocs. They are not safe to wear in the nursery environment.

Thank you

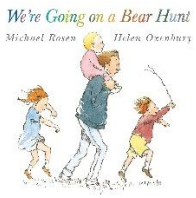

SAFEGUARDNG - Nursery / After school garden gate

We have noticed our children being spoken to over the After-school club garden gate, at collection, to ensure the safety of all the children, please can we ask that children are not spoken to over the gate when they are in the garden.

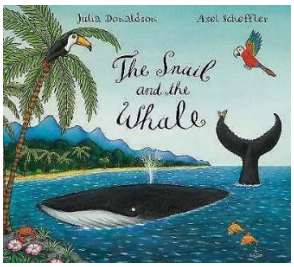

Thank you.

We continue with our stories

Where going on a bear hunt

Follow and join in the family's excitement as they wade through the grass, splash through the river and squelch through the mud in search of a bear. What a surprise awaits them in the cave on the other side of the dark forest!
The children will learn to repeat the rhyme "We're going on bear hunt! ", Follow instructions, Positional language "We can't go over it, we can't go under it.." · Developing listening skills and acting out a story and acting out a story.

Snail and the whale

One little snail longs to see the world and hitches a lift on the tail of an enormous whale. Together they go on an amazing journey, past icebergs and volcanoes, sharks and penguins, and the little snail feels so small in the vastness of the world. But when disaster strikes and the whale is beached in a bay, it's the tiny snail's big plan that saves the day!

INFORMATON

Leavers / end of term party
Friday 18th July 2025
12 – 2pm

We would like to invite you to our leavers/end of term party for all our children families and teddy bears.
Please send your child with a teddy bear, party packed lunch, unless you would still like them to have a hot lunch.
Speak to a member of staff for further details.
If you would like to make some party bits for the day please bring them along.
Please note we do have a couple of children who have allergies, please ask a member of staff

The creators of International Mud Day wanted to find a way to help all of the children of the Earth feel closer to each other…and what a better way to do it than through the Earth itself?

We will celebrating mud day on Friday 27th June

Mud increases brain activity and stimulates motor skill development. A child uses the smaller muscles in their hands, wrists, fingers, feet and toes by squishing, squeezing, scooping, mixing and pouring the mud. Their smaller muscles become stronger, getting them ready for writing.

Follow the link below for mud play ideas and research about the benefits of playing in mud.

https://muddyfaces.co.uk/events/international-mud-day

Have fun and don't forget to share your pictures on Tapestry.

Nursery spaces 2025-2026

Do you have a child or know someone who has a child looking for a nursery place in September 2025 and beyond?

We are taking applications for places to start in September in our wonderful, nurturing and highly recommended nursery setting which caters for children age 2, 3 and 4 years old. We offer 15 and 30 hour sessions, these can be spread into mornings or afternoons, full days. We have seen a significant impact for the children who attend our nursery and their smooth transition to Reception.

Parking

We also remind you that parents are NOT to park in the staff car park or on Zigzag or double yellow lines, when the gates are open.

Dates to remember

International mud day 27th June

Leavers / end of term party Friday 18th July 12 – 2pm

End of term Tuesday 22nd July

New autumn term 3rd September 2024

Other dates to follow

Summer clear outs

We have purchased a bell tent to use as a nurture space for our interventions, and looking to add some soft furnishing to the space.

If you have any indoor, outdoor rugs or even a bell tent rug, blankets, pillows fairy lights you no longer need and would like to donate that would be fabulous.

Recycling for junk modelling:

Please can we have your recycling so the children can practice their creative skills.

Do we have any parents or do you know anyone who is a carpenter:

We desperately need some wood off cuts for wood work area so the children can practise their woodworking skills, and donations would be gratefully received.

Cable reels:

We are on the lookout for some cable reels large or small; to update the ones we have in the garden. If you know of anywhere or anyone who is happy to donate some to the nursery that would be amazing.

Thank you, as always, for all your continuous support

Sue and the Stibbard Team
