Spring 1 Learning experiences at home

Read With your grown up follow the link below and choose one of the story books to read together. https://www.rspb.org.uk/whats-happening/get-ready-for-big-schools-birdwatch/resources#early-years-resources You can also explore the survey sheet which is accessed using the same link.	**Explore** Wrap up warm and go on a winter walk. Make bird feeders for the garden for the big bird watch Bing Videos	**Maths** With your grown up; go on a winter hunt around your outside environment. Can you do your best to count how many treasures you have found? Have you found more or less of each object? Can you sort them into groups?
Fine motor skills Practice using scissors at home. Perhaps create a picture with left over Christmas cards or other materials. Practice cutting other materials safely; with scissors holding them the correct way up.	**Mark Making** Practice recognizing your name at home. Write your name and put it somewhere in your home to use. Have some fun trying to copy the letters in your name; perhaps hide your name under some flour and trace it.	**Baking** Shrove Tuesday 13th Feb. Make some pancakes with your family. Share your photos on Tapestry
